- In all states except Florida, certification requires the ComforTrack Plus Energy Saving Sidetrack Insulation System to be mounted over double pane glass.
- In Florida, the ComforTrack Plus Energy Saving Sidetrack Insulation System may be mounted over single pane glass or double pane glass to be certified.
- Any fabric or hardware upgrade surcharges do not qualify for the tax credit.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.

Thomas J. Marusak,
President
Comfortex Corporation

IRS Notice 2006-26 suggests the taxpayer is not required to attach this certification statement to their tax return. However, the taxpayer should retain this certification statement as part of their tax records. As in all tax matters, the taxpayer is advised to consult their tax professional.

Gordon's Window Decor and its sales partners assume no liability regarding the homeowner's ability to obtain tax credits.

Comfortex Corporation is not a tax advisor. Taxpayers should consult a tax professional regarding their individual tax situation and ability to claim a tax credit related to purchase of the ComforTrack Plus Energy Saving Sidetrack Insulation System.
